DID YOU KNOW?

We make and bake all of our own breads from scratch every day.

We have won lots of national awards for our breads including the Great British White award at the World Bread awards for the best tin loaf in the country!

All our sandwiches are made on the morning of sale using our own breads and local ingredients. If we don't sell it today, we don't sell it!

Not only do we make the breads, we also make all our own cakes, pastries and confectionery – all by the hand of our skilled craft bakers.
